

WHY CHOOSE US ?

UNPARALLELED LOCATION

Palampur, nestled in the lap of the Dhauladhar mountain range, provides an ideal setting for a Mountaineering University. Students have access to some of the most spectacular and challenging terrains for mountaineering, ensuring hands-on training and real-life experiences.

EXPERIENCED FACULTY

Our team of experienced and certified mountaineers, climbers, and instructors brings a wealth of knowledge and expertise to the classroom. They are dedicated to nurturing the skills and talents of each student, ensuring a high standard of education.

COMPREHENSIVE CURRICULUM

At Mountaineering University, students will find a well-rounded curriculum that covers a wide spectrum of mountaineering disciplines, from rock climbing and ice climbing to wilderness survival and expedition planning. The coursework is designed to develop both physical and mental attributes necessary for mountaineering.

ADVENTURE FOR EVERYONE

While we train aspiring professional mountaineers, we also offer courses tailored to enthusiasts and adventurers seeking to explore the beauty and challenge of the mountains in a safe and guided manner.
